

## **Art Rises for India: A COVID-19 Relief Fundraiser Auction by the Indian Art Community**

India's battle against the deadly second wave of the COVID-19 virus has impacted millions of lives, with a devastating number of deaths and a rapid, alarming rise in cases every day. Each of us has been affected by this pandemic in some way. In these unprecedented times, the Indian art community is uniting to give back to our country and its people through a 24-hour online fundraiser auction of over a 100 works that will raise funds to directly assist on-going COVID-19 relief efforts. 100% of the proceeds from this sale, including the reduced Buyer's Premium, will be donated to key grassroots non-profit organisations, who are working on the ground to provide medical support as well as daily subsistence to those in need.
